Put your information in the hands of the buyers!

Colorful INATS Tote Bags containing the Show Directory will be handed to all buyers as they check in at the registration desk.

This is an inexpensive way to promote your product and get your business information directly into the hands of the buyers.

Provide us with 750 brochures, samples, flyers, coupons, etc. and we will insert them into the bags. You can offer an extra show special, an invitation to stop by for a free gift or catalog, or something special they can take back to their stores.

*It's simple! Return this form with payment and a description of your insert to the address below. **Ship the inserts to arrive by June 5, 2017** to a special address we will provide. We'll do the rest!*
