INATS® – the Tradeshow for Conscious Living

Andrew Toplarski, Show Producer

Turning Wheel Co 707-293-9189

INATS® – the Tradeshow for Conscious Living will take place as planned on June 12-14, 2020 at the Crowne Plaza Denver Int'l Airport Convention Center and Hotel.

At this time, communities around the country are taking steps to limit and slow the spread of COVID-19, including in Denver, Colorado. None of these steps have yet to overlap our dates in June and hope that progress will be made and that INATS will not have to be postponed.

Turning Wheel Co and the Crowne Plaza are taking precautions to ensure the health of all event participants and we are consulting the latest guidance from the Centers for Disease Control and Prevention and Denver public health authorities.

Be sure to regularly check your email, and the INATS.com website and Facebook page for any updates. Should either the CDC or WHO guidance change, Turning Wheel Co will act accordingly and immediately update you.

On a personal note, I want to assure you that above all, we value your health and wellbeing. INATS is striving to react to this virus in a calm and factual manner, while taking into account all of our varied responsibilities and commitments. Kristy and I are working from home for the next couple of weeks. Please let us know if we can answer any questions

All the best,

Andrew

With the situation evolving rapidly, we also encourage INATS participants, vendors and staff to consult these sources as they prepare for the event.
