INATS® – the Tradeshow for Conscious Living

Andrew Toplarski, Show Producer

Turning Wheel Co 707-293-9189

INATS® – the Tradeshow for Conscious Living will be POSTPONED to June 11-13, 2021.

It is with great regret that we announce the postponement of our 25th Anniversary show to 2021. We did check on date availability in late summer and early fall and nothing was available that would work for INATS. We sincerely hope things will be back on track by then!

HOWEVER, we are working with Robert Griffiths of VRBusiness Marketing to launch our first VIRTUAL INATS 2020 to keep our community together this year. Exhibitors will have an opportunity to showcase products, Speakers will offer online seminars, Authors will be invited to read from their new books, and more! All of this will take a week or two to get set up. Be sure to regularly check your email, and the INATS.com website and Facebook page for any updates.

On a personal note, I want to assure you that above all, we value your health and wellbeing. INATS is striving to react to this virus in a calm and factual manner, while taking into account all of our varied responsibilities and commitments. Kristy and I continue to work from home until our public meeting ban is lifted. Please let us know if we can answer any questions

All the best,

Andrew
